To Whom It May Concern:

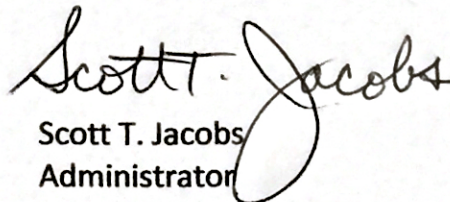

Central Christian Academy is a small Christian school in the Spring Branch area that has been in operation since 1973. We offer an affordable alternative to public education. We teach with a Christian curriculum to reinforce good morals and to teach character-building qualities in the students.

In order to keep the tuition affordable, we must subsidize the budget with several fundraisers. Without these subsidies, it would be impossible for Central to exist.

With our current economic woes, our school and its parents have suffered many setbacks. Central Christian Academy is not underwritten by any particular church, and the students have many different denominational backgrounds. Our desire is to respect whatever beliefs are being taught in their youth departments, and we feel that there are plenty of basic Bible truths that can be learned without getting into doctrinal differences.

Unfortunately, for many students, we are the only "church" they get. It is our desire to grow young men and women into productive adults that have integrity and honor. It is also our desire to teach and train them by example. We have been very blessed to be an important part of many students' lives over the years, and we humbly ask for your financial help to be able to continue.

Sincerely,
